**Ingawanis Adventure Base  
2021 Summer Camp  
Program Guide**

## Welcome to Ingawanis Adventure Base!

This summer is going to be one for the books and we are thrilled to share all the new and exciting additions to our Summer Camp program! Whether this is your first summer or you have been coming to camp for years, you will not want to miss this unforgettable experience. We hope to see these new activities become staples at Ingawanis Adventure Base.

You have asked and we have answered. This summer we have looked at all aspects of our program including daily programs, staff, camp culture, food and the spirit of camp. We have heard your requests and have taken action to ensure we not only meet but exceed your expectations!

In this Program Guide, we will be covering all the ins and outs of what to expect during your week(s) at camp. From new activities to the daily schedule, we will cover everything you need to know about our program. On the next page, you will find a “*Table of Contents*” that will show you where to start your journey in this guide. If you or your camper is attending a Cub Scout Resident Week you will only need to review the section regarding Cub Scout Resident Week and the section specific to your week at camp. Keep in mind that this Program Guide covers Lions, Cub Scout, Webelos and Scouts BSA Weeks.

Now flip to the next page and get reading! We can’t wait to see you this summer.

- Whitney Jensen | *Ingawanis Adventure Base Camp Director*
- Melanie Mellinger | *Ingawanis Adventure Base Camp Program Director*
