**Ingawanis Adventure Base
2021 Summer Camp
Program Guide**

Welcome to Ingawanis Adventure Base!

This summer is going to be one for the books and we are thrilled to share all the new and exciting additions to our Summer Camp program! Whether this is your first summer or you have been coming to camp for years, you will not want to miss this unforgettable experience. We hope to see these new activities become staples at Ingawanis Adventure Base.

You have asked and we have answered. This summer we have looked at all aspects of our program including daily programs, staff, camp culture, food and the spirit of camp. We have heard your requests and have taken action to ensure we not only meet but exceed your expectations!

In this Program Guide, we will be covering all the ins and outs of what to expect during your week(s) at camp. From new activities to the daily schedule, we will cover everything you need to know about our program. On the next page, you will find a “*Table of Contents*” that will show you where to start your journey in this guide. If you or your camper is attending a Cub Scout Resident Week you will only need to review the section regarding Cub Scout Resident Week and the section specific to your week at camp. Keep in mind that this Program Guide covers Lions, Cub Scout, Webelos and Scouts BSA Weeks.

Now flip to the next page and get reading! We can’t wait to see you this summer.

- Whitney Jensen | *Ingawanis Adventure Base Camp Director*
- Melanie Mellinger | *Ingawanis Adventure Base Camp Program Director*

Scouts BSA Resident Camp 2021 Ingawanis Adventure Base Program Guide

New Activities Coming This Summer!

Trail to First Class (TTFC)

We have taken a hard look at our T-1 program and revamped how it is structured. The T-1 program is now called the Trail to First Class or TTFC. This program is a great opportunity for newer Scouts to work on the key basics in their Road to 1st Class. This year's program will encompass both morning Merit Badge sessions and helping Scouts learn a set list of new skills. Scouts can schedule a Merit Badge of their choice for the afternoon block. Scoutmasters will receive a TTFC blue card with requirements Friday before dinner. Staff will NOT sign off Scouts' books and Scoutmasters are encouraged to verify with the Scouts what material they retained.

Night Hikes

Monday night our Camp Staff will be providing each Troop an exciting new program called Night Hikes! Campers will get the opportunity to talk with some local owls, learn about night vision, super hearing and smell, Triboluminescence and finally understand the science behind the Headless Horseman! To ensure we can reach out maximum night vision all lights, including light up watches, flashlights and phones, should be left at the campsite or put away. Your Camp Staff will have all the necessary supplies.

Friday Fun Night

We are bringing back our Pool Party and kicking it up a notch!!

Not only will we be having our Friday Pool Party, but we are making it bigger and better by introducing Friday Fun Night! Friday Fun Night consists of a pool party, pool belly flop contest, open trading post, and a dance! Campers are welcome to take a dip in the pool or dance the evening away while enjoying their favorite pop!

The Official IAB Scoutmaster Belly Flop Contest

All adult leaders are welcome to compete and sacrifice their bellies for the amusement of their Scouts. The winner will receive an autographed prize from the aquatics staff, bragging rights, and the pride of making the biggest splash, loudest smack, and most stylish belly flop on this side of the Cedar River.

Participants are encouraged – but not required – to prepare something “stylish” to spice up their belly flop! (Costume ideas: Buzz Lightyear, Jedi Knights, and Roman Emperors, or something to fit the week's theme, just to name a few)

Dance Party

Along with our Pool Party, for those who may not want to get their feet wet... Music, trading post, dancing and socializing will be happening on the Parade Field or in the Dining Hall (COVID/weather permitting). The Trading Post will also be open during Friday Fun Night to get those last-minute snacks and merchandise!

Chapel

After the opening campfire on Sunday, campers are invited to join in on an evening Chapel to get the week started right. Additionally, morning Chapel will be provided at Chapel by the Ingawanis Adventure Base Chapel Team on Tuesday and Thursday morning (7:30-7:45) before flags. This is a great way to start your day with some inspiration and motivation to do a good turn daily. *This is not a required event, but IAB and the Winnebago Council invite all individuals of faith to participate in this calibration of reverence.*

Stage Night

Put on a show, *no talent required!* Stage Night is our version of an all camp talent show. Campers are welcomed and encouraged to sign up and perform their favorite talent. This could be singing their favorite song, dancing, solving a Rubik's Cube in under a minute or anything in between. All performances should be Camp Appropriate and follow the BSA rules and guidelines. Campers that are not performing an act in the show will get the opportunity to support their fellow scouts by cheering them on and getting a once in a lifetime show! Signups will open in the Dining Hall on Sunday at dinner and will close Wednesday after lunch.

Tie Dye

On Tuesdays we wear tie dye! Show off your most colorful tie dye apparel on Tuesday in preparation for our tie dye event! During and just after Evening Merit Badges on Tuesday and Thursday we will be offering Tie Dye! Bring your own clothing to tie dye or buy something from the Trading Post. We will have white Ingawanis Adventure Base shirts available for purchase. We look forward to seeing all the creative designs that come out of this new activity!

New Additions Coming This Summer!

We have heard your suggestions and are making some additions to offer a more organized, exciting and fresh experience for our campers!

Shotgun Range

You asked for it and we are thrilled to share that this summer we will be unveiling our new shotgun range! We will have two high/low houses with a trap shoot in the middle. Plus, there are seven stations for participant shooters. This will allow us to still sign off on traditional merit badge requirements, while offering new opportunities for campers to experience! If shooting sports is your thing, you will not want to miss this!

STEM Lab

Introducing the Ingawanis Adventure Base STEM Lab! The STEM Lab opens the possibility of new Merit Badges including but not limited to Robotics, Movie Making, Photography, and Digital Technology.

Trading Post

This summer we are opening our Trading Post and have a ton of fun new merchandise to go along with it. Stop in to grab a slushie or pop while browsing through our newest additions.

Ingawanis Camp Staff

Our Ingawanis Adventure Base Camp Staff are so excited to meet you and your campers! This year each unit will be assigned a Camp Staff that will help be a sort of “liaison” throughout the week. You will receive a Camp Staff trading card for each Scout to keep, with three fun facts about your Camp Staff at Check-In. Your Camp Staff can sit with your unit at meals, evening programs and campfires. They will be there to answer questions, offer service throughout the week and be the unit’s hype leader to ensure your Scouts get an unforgettable experience during their week at Ingawanis Adventure Base.

Entrance Sign

A huge thank you goes out to our wonderful volunteers as well as Camp Caretaker, Colin Devine Meyer, for their work on finishing the new Ingawanis Adventure Base signs. Their ingenuity and the great looking signs from Print Innovations, LLC made a huge impact on beautifying the entrance of our camp! We look forward to having these signs welcome many campers in the present and future!

BSA Resident Camp Schedule (Sunday – Wednesday)

<p><u>SUNDAY</u></p> <p>1:00 - 4:00 Check In/Camp Tours/Swim Checks</p> <p>4:30 Last Swim Test</p> <p>4:30 – 5:15 Prepare for Dinner (Field Uniform)</p> <p>5:15 – 5:45 Expectations & All Camp Photo</p> <p>5:45 – 6:00 Assembly</p> <p>6:00 – 7:00 Supper (Self Sufficient Units Welcome)</p> <p>7:00 – 8:00 Campsite set up</p> <p>8:00 SPL/SM Meeting</p> <p>8:00 - 8:30 All Camp Game</p> <p>8:30 Flags</p> <p>8:30 – 10:00 Opening Welcome Campfire & Chapel</p> <p>10:00 Campsite Time</p> <p>10:30 TAPS/Lights Out</p>	<p><u>MONDAY</u></p> <p>6:00-7:00 Polar Bear Swim/Mile Swim Practice</p> <p>7:00 Reveille</p> <p>7:45 – 8:00 Flags</p> <p>8:00 – 9:00 Breakfast</p> <p>8:30 – 9:00 SPL Meeting</p> <p>9:00 – 10:15 Program Block A</p> <p>10:30 – 11:45 Program Block B</p> <p>12:00 – 1:00 Lunch</p> <p>1:00 – 1:30 FOB</p> <p>1:30 – 2:45 Program Block C</p> <p>3:00 – 5:00 Open Program (Pool Open)</p> <p>5:00 – 5:45 Prepare for Dinner (Field Uniform)</p> <p>5:45 – 6:00 Flags</p> <p>6:00 – 7:00 Supper</p> <p>7:00 – 8:00 Magic Tournament/Geek Hour</p> <p>8:00 - 8:30 Prepare for Night Hikes (bug spray, put away lights) & meet at Dining Hall</p> <p>8:30-10:00 Night Hikes</p> <p>10:00 Campsite Time</p> <p>10:30 TAPS/ Lights Out</p>

Program Offerings & Prerequisites List

Scouts should come to camp with a familiarity of the subjects they will be learning about for the week. Merit Badge pamphlets are available for purchase at the Trading Post but acquiring a book prior to camp is recommended. It is a good idea to bring a notebook and pencil for each Merit Badge session. Scouts with more summer camp experience should not expect to complete more than **four (4)** Merit Badges. **It is not the objective of camp to complete as many Merit Badges as possible, but rather to enjoy the camp program and learn the skills naturally.** This way of learning allows campers to gain mastery of the skills learned. Scouts should not be disappointed with partially completed badges from camp. A makeup Merit Badge day will be held **July 25th** for free for Scouts to complete any Merit Badges they started at Ingawanis. More details to come.

Some Merit Badges will have prerequisites. A prerequisite is something the Scout must do before taking a Merit Badge, (i.e. you must have First Aid before taking Emergency Preparedness) things that cannot be done at camp. For these Merit Badges a Scout will receive a partial card and will have to complete it upon returning home. Notes can be sent from a Merit Badge Counselor or Leader verifying the pre-requirements. **If a Merit Badge has an associated fee it will be collected during online registration.**

TTFC Scouts MUST register for a C block badge during online registration.

We recommend they focus on Non-Eagle Required badges their first year at IAB!

	Aquatics	COPE	SS	STEM	Ecology	Scoutcraft	Handicraft	Skills Trades	TTFC
A	Swimming Canoeing & Kayaking	Climbing	Riflery & Archery	Electronics	Nature, Fish Wildlife Management & Fishing	First Aid, Geocaching & Orienteering	Woodcarving Leatherworking	Welding	Working on First Class Requirements
B	Swimming & Rowing	High COPE	Riflery & Archery	Digital Technology & Robotics	Environmental Science & Forestry	Pioneering Cooking	Model Design & Space Exploration	Plumbing	Working on First Class Requirements
C	Lifesaving/ Lifeguard Training	LOW COPE	Shotgun	Moviemaking & Photography	Environmental Science & Bird Study	Wilderness Survival Camping	Art & Sculpture	Auto Maintenance	Sign-up for Merit Badge during registration
Evening Merit Badges: Astronomy, Chess, Mammal Study, Finger Printing									
<i>All Merit Badges with an “&” symbol will receive both Merit Badges</i>									

Prerequisites

Area	Block	Prerequisites / Notes
Aquatics		
Canoeing / Kayaking	A	Blue swimmer, water shoes
Rowing	B	Strong enough to Row in Moving Water
Swimming	A/B	Blue swimmer
Lifeguard Training	C	Blue Swimmer, Swimming, Lifesaving, Long sleeve shirt, pants to get wet
Lifesaving	C	Blue Swimmer, Long sleeve shirt, pants to get wet; 2nd Class – 7a, 7c; 1st Class – 9a, 9c; Must have Swimming Merit Badge. Must be at least 13 years of age.
C.O.P.E		
Climbing	A	Recommended for 2nd year and older campers; Must be 13+ and comfortable with heights.
High Cope	B	Recommended for 2nd year and older campers; Must be 13+ and comfortable with heights.
Low COPE Teambuilding	C	ALL WELCOME.
Shooting Sports		
Rifle Shooting	A/B	\$5 charge for ammunition
Archery	A/B	\$5 charge for arrow kit
Shotgun Shooting	C	\$20 charge for ammunition
STEM		
Electronics	A	
Digital Technology & Robotics	B	Bring Cyberchip to camp
Moviemaking & Photography	C	Bring device capable of photography and film
Ecology		
Fish and Wildlife Management & Fishing	A	Bring your own pole and Tackle, 16+ needs fishing license, 5D, 6A
Nature	A	Bring a digital device capable of taking a photograph to help with Identifications
Forestry	B	
Environmental Science	B/C	Recommended for older Scouts. Some independent project work required.
Bird Study	C	

Scoutcraft		
First Aid	A	Proof of reqs 1 and 2a
Geocaching & Orienteering	A	Scouts should bring their own Compass and GPS if they can.
Pioneering	B	A good working knowledge of knots, lashings and rope splicing are strongly recommended.
Cooking	B	Req 4 (Cooking at Home) and 5 (Cooking in campsite. If menu is presented to counselor by a self-sufficient unit and cooking is done in campsite req.5 can be completed in camp
Camping	C	Req. 4b, 8cd and 9ab. A note from a Scoutmaster for prerequisites as well as a copy of menu for 8cd.
Wilderness Survival	C	Req. 5; A survival kit should be made ahead of time and brought along to camp (or detailed photos of kit). Scouts will build and sleep in a shelter at camp.
Handicraft		
Woodcarving	A	2nd year camper; earn Totin' Chip, Kits available at TP
Leatherwork	A	\$5 charge for basic materials, more Kits available at TP
Space Exploration	B	\$10 charge for model rockets
Model Design	B	
Art	C	Req 6 (a museum, art exhibit, art gallery, artists' co-op, or artist's Workshop)
Sculpture	C	
Skilled Trades		
Welding	A	
Plumbing	B	
Auto Mechanics	C	\$10 Charge for filters and oil Scoutmasters, we will need cars and trucks for Scouts to do oil changes on!
Evening Merit Badges		
Astronomy	Evening	Nightly observation
Chess	Evening	
Mammal Study	Evening	
Fingerprinting	Evening	

Open Program Time

Open Program time will allow all Scouts to explore everything Ingawanis Adventure Base has to offer. This means all program areas will be open for Scouts to explore, visit, and work on Merit Badges they have started (Scouts may not start new Merit Badges during this time unless permission is given from the Merit Badge Counselor). Climbing, Pool and Shotgun will both be available at the same time during open program this year.

Trail to First Class (TTFC) *Formally known as T-1*

Trail to First Class is aimed at giving first year Scouts the full summer camp experience. They will walk away with the skills necessary to complete many 1st and 2nd Class requirements. Trail to First Class will run A and B blocks. Scouts will return with a TTFC blue card showing what they accomplished during there week. Scoutmasters can then go over it to check for retention. Scouts will be register for a C block Merit Badge.

Ingawanis Baden Powell Troop Award

The Ingawanis Baden-Powell Patrol Award was designed to promote Patrol Spirit and Patrol unity within the Troop as well as encourage use of Patrol Method within the Troop. All requirements for the Ingawanis Baden-Powell Patrol Award are to be done by the entire Patrol as a group and worked on while in camp. Troops interested in pursuing the award must pick-up an application in the Director's Lodge. Once complete, the form may be turned in to the Camp Commissioners or Program Director.

Adopt-a-Campsite

It is through the dedication of many of our Troops that our campsites have been improved over the years. Please consider adopting and improving a site to make our summer camp better! If a site has already been adopted, please feel free to contact us prior to camp so that we may combine the efforts of our Troops in adopting, improving, and caring for our sites. **Signup to get project approved at the Director's Lodge!**

Adopt-a-Cabin

It is through the dedication of many of our Troops that our cabins have been improved over the years. Please consider adopting and improving a cabin to make our summer camp better! If a cabin has already been adopted, please feel free to contact us prior to camp so that we may combine the efforts of our Troops in adopting, improving, and caring for our sites. **Signup to get project approved at the Director's Lodge!**

Staff Sponsor *NEW**

Our Ingawanis staff do a lot to help make camp possible, and we want to help make sure they look sharp and feel prepared to provide a strong program to every scout that comes to camp this summer. Looking professional is just the beginning! If you are interested in sponsoring the Ingawanis Camp Staff T-Shirts for the summer, please contact Whitney Jensen or Melanie Mellinger at the Scout Office for more information.

Gateway Contest

Every year, Troops coming to camp compete against one another to build a gateway into their campsite. Will your Troop win the gateway competition? Your gateway must be completed by Thursday evening. The Gateway prize will be awarded to the Troop with the best design and use of Scout craft abilities.

Wednesday Lunch Extravaganza!!

After breakfast on Wednesday, we are inviting everyone to join us out at the south end of camp to join in some fun. We will be showcasing some of our great programs. We will have the climbing tower running all morning along with the rifle and archery ranges. We may also offer other fun activities such as pedal cars, mountain bikes and hatchets. We will be doing lunch under the shelters at OSI and running all activities from 9 am-Noon. Lunch will be served at the OSI Shelters at Noon.

Geek Hour

We listened to the Scouts and have added a “Geek Hour” that will be held at the Dining Hall on Monday nights. This is an opportunity to get together and play Magic the Gathering™, Dungeons and Dragons®, board games, Ingawanis Eights (available for purchase of your own deck at the Trading Post), Gaga Ball and any other games you want to play. This will be a great fellowship opportunity for Scouts to interact with Scouts from other units. We have a supply of other games as well. We may even have an organized tournament that you can get into or just come and test your skills against other Scouts! This will also include a Cracker Barrel for everyone. Scouts will be responsible for all items they bring from home and Ingawanis Adventure Base and the Winnebago Council are not responsible for any lost, stolen or damaged items.

Leader’s Appreciation Supper

Thursday evening starting at 6:00 PM, there will be dinner for all leaders who have stayed in camp all week. This event takes place at the Picnic Shelter across the road from the Dining Hall. It is a chance to be with adults for about an hour and share your thoughts about how the week has been going. There is no additional charge for the leaders as the fee is included in their registration.

Closing Campfire

The closing campfire relies on the performances of the Scouts and Scoutmasters in each Troop. Troops should plan on coming to camp prepared with one song or skit for the closing campfire. Add to the Scouting spirit in camp, plan and practice at your Troop meetings before camp. We will be looking for 2 Scouts to help the staff emcee the campfire (This can be a great way to fill Communication Merit Badge requirement 8). Once the unit performances have concluded, the Camp Staff will finish off the evening with a special ceremony on friendship.

Provisional Campers

A Provisional Scout is a Scout who wants to attend camp a different week from when their Pack comes, or Scouts who want to attend Ingawanis when their Pack may have chosen to attend a different summer camp. This is also a great opportunity for campers who may want to spend more than one week at camp! On arrival at camp, Provisional Campers will be joined with other Provisional Campers and given an Ingawanis Adventure Base Camp Staff that will be supervising and staying with the group of campers throughout the week. As for daily schedules and operations, Provisional Campers will get the exact same experience as Scouts attending with a Pack. The only difference is that Provisional Campers will be meeting a new group of friends and the Camp Staff will take the place of the Cubmaster.

Mountain Biking

Ingawanis Adventure Base offers mountain bike trails for everyone's skill ability. The trails at camp are host to many local cycling events. Bike trail rides can be done as an individual or as a unit activity.

Troop Canoe Floats

Canoe Floats will take place on Monday, Tuesday and Thursday during Open Program for any Scouts interested in taking a canoe float down the Cedar River. There is not set amount of time for this float, and Scouts may arrive back in camp close to dinner. (Takes an average of 2.5 hours) **Scouts will be required to be Blue Swimmers for this float.** Fee - \$50 for 20 people

Polar Bear Swim

Each day at 6:30 AM the beginner's area will be opened for those Scouts and adult leaders who enjoy taking an early dip. This is strictly a "for fun" program.

Free Swim

Each day at 3:00 PM, the swimming area will be open so that Scouts and leaders have an opportunity to have fun, cool off, and enjoy a swim in the afternoon.

Mile Swim

The mile swim award is given to those Scouts who can swim a mile in one attempt. Scouts begin the practice program at 6:00AM on Monday morning. This requires 4 one Hour Practice sessions to complete the award.

<https://www.Scouting.org/awards/awards-central/mile-swim/>

Family Night

Family Night is on Tuesdays. Families are invited to camp to experience the camp atmosphere, observe activities, stay for dinner, and be a part of our evening activities. Family members may arrive any time after lunch and must check-in at the camp office and purchase meal tickets.

For Adults

The fun and adventure at camp isn't just for Scouts! We have an exciting program planned for the adults who spend the week with us, too. Just like open times for Scouts we will have open times just for adults. Adult COPE and Adult open swim to name a few.

Adult Leader Supplemental Training

During the week of camp the Council Training Committee will offer training sessions. These sessions will include the following:

Safe Swim Defense and Safety Afloat

Swimming, kayaking, or any aquatic activity will have potential hazards, even for advanced participants. Lives can be saved with proper supervision and training; lives can be and have been lost by not following Safety Afloat practices. Safety Afloat training is designed for all authorized boating activities. Adult leaders supervising those activities should have completed their Safety Afloat training within the previous two years.

Basic Climbing Instruction (Session B @ Tower)

This training offers no official certification but allows leaders to understand the safety aspects of our C.O.P.E. and climbing elements, giving them a chance to learn to belay and assist with C.H.E.C.K.

BSA Lifeguard Training (C Block @ The pool)

BSA lifeguard training will be available during open program time for all Youth above age 15 and all Adults. This will allow individuals to supervise BSA swimming activities in lakes, ponds, pools, and rivers. This is an intensive training, and we recommend you look over the physical requirements before signing up for this training.

<https://www.Scouting.org/awards/awards-central/lifeguard/bsa-lifeguard-requirements/>

IOLS (Introduction to Outdoor Leadership Skills)

An exciting opportunity for new leaders! While your Scouts are in Merit Badge sessions take this opportunity to learn how to lead them better in the outdoors. The skills sessions presented in Introduction to Outdoor Leader Skills closely follow the Scout Handbook for ranks Scout through 1st Class and are meant to serve as an adult training outline.

Scouts BSA Resident Camp 2021 Week 1 (July 11th – 17th) – Ingawanis Invasion

(Themes of the week will not change the program that is offered, it is a way to enhance the overall experience of our campers. All “classic” camp activities will remain the same.)

INGAWANIS INVASION

SCOUTS BSA SURVIVAL CAMP

SCOUTS BSA WEEK 1 JULY 11TH - 17TH

This week is going to be one you won't want to miss! Ingawanis Adventure Base is going to provide you with the classic summer camp programs and merit badges everyone knows and loves... but with a little twist!

Activities and Camp Staff will bring an unforgettable invasion and survival theme to camp this summer and we can't wait to see you there!

Winnebago Council, Boy Scouts of America

Scouts BSA Resident Camp 2021 Week 2 (July 18th – 24th) – A Magical Week

(Themes of the week will not change the program that is offered, it is a way to enhance the overall experience of our campers. All “classic” camp activities will remain the same.)

A Magical Week

We'll be leaving the platform on July 18th...

SCOUTS BSA WEEK 2 JULY 18TH - 24TH

Join us this summer at Ingawanis Adventure Base for a week full of magic, and memories that you will never forget! Enjoy the classic camp activities, merit badges, and campfires all with a fun magical themed twist! Activities and Camp Staff will bring a little extra magic to camp this summer and we can't wait to see you there!

WINNEBAGO COUNCIL, BOY SCOUTS OF AMERICA

CIT Programs

CIT 1 & CIT 2

CIT-1 (All Summer)

(Ages 14 – 17)

This program is designed to allow CIT-1s to enjoy all the camp activities, work on merit badges during their free time, and begin to understand the service side of summer camp. CIT-1 will be working alongside other participants to focus on general leadership skills, interpersonal interaction, introduction to problem solving, communication, camp mission/goals, and camp work projects. Some service duties CIT-1s include, leading camp songs before meals, helping ensure the dining hall remains clean, projects around camp, take part in leading evening programs, and bringing positivity and energy to campers! After completing their duties CIT-1s will be able to work on advancements, swim, canoe, have campfires, and enjoy all the rest of the classic summer camp programs!

This program runs during all weeks of the summer and has a minimum of a one-week commitment. CIT-1s can sign up for one or as many weeks as they want.

Fee - \$60 Per Week

CITs will also be expected to attend a **free** training week during pre-camp, June 6-11, to ensure they are prepared and know the expectations for the summer.

CIT-2 (Webelos & Scouts BSA Weeks)

(Ages 15 – 17)

Prerequisites – CIT-2 campers must have attended and completed the CIT-1 program previously in the season or in a prior summer.

CIT-2 is a three-week extensive program aimed at teaching CIT-2s how to become exceptional Ingawanis Adventure Base Camp Staff. Skill development in leadership, safety, relationship building, character development and program facilitation are all part of their experience. Through observation, discussion and hands-on experience, CIT-2s expand their knowledge of great leadership. As a part of the program, CIT-2s have the option to take a Red Cross Lifeguarding course that, upon successful completion, will certify them as lifeguards. If you want to be an Ingawanis Adventure Base Camp Staff and serve campers while growing your leadership skills and earn a Red Cross lifeguard certification, this program is for you!

This program runs during Webelos Week and both Scouts BSA Weeks (June 28-July 1, July 11-17, and July 18-24). This is a three-week commitment.

Fee - \$225 (\$75 Per Week)

(The average course price for a Red Cross Lifeguard certification is \$200)

CITs will also be expected to attend a **free** training week during pre-camp, June 6-11, to ensure they are prepared and know the expectations for the summer.
